

2023 Techsploration DeWalt Canada Women in Skilled Trades Award

Techsploration gratefully acknowledges the generosity of DeWalt Canada in providing five DeWalt Combo-Kits (Drill/Driver package), each valued at \$500, for young women entering their first or second year of any skilled trades program across Canada.

Who is eligible to apply?

- 1) All Techsploration Alumnae are eligible to apply to receive one of the five Combo-kits available.
- 2) All female Grade 12 graduates from any Techsploration schools are eligible to apply.
- 3) Applicants must be entering their first or second year of any skilled trades program across Canada as full-time students and must provide proof of acceptance for the program they have been accepted into.

What are the criteria?

Scholarship applications will be evaluated based on academic performance and a one-page written essay.

How do you apply?

Students must complete the online application form and include a one-page essay. The essay should address, but not be limited to the following information:

- 1) Describe the impact that Techsploration has had on you and/or your school.
- 2) Describe what influenced your decision to choose the skilled trades program you have been accepted into.
- 3) Describe any community, leadership, volunteer, or employment activities in which you might be involved.

What is the value?

The award is valued at \$500. Recipients will receive the Combo Kit by September 1st, 2023.

Please visit Techsploration's website for other scholarship opportunities:
